NASA Shared Services Center Web site open

The NASA Shared Services Center, scheduled to open in 2005, now has an active Web site at <http://nssc.nasa.gov>. The services center will consolidate certain business and technical support services for the Agency such as personnel action processing, grants processing, payment certification and NASA computing and communications services. A site location for the center has not been finalized. NASA team members who have questions or who would like to provide feedback regarding the services center can e-mail nssc@nasa.gov

Marshall welcomes International Society of Logistics Engineers
